TEASER

FADE IN:

INT. COMMANDER TERRI'S OFFICE - AFTERNOON

COMMANDER TERRI (52), 5'1", friendly, jovial, approachable and yet tough as nails. She's reviewing reports at her desk.

The lamp blinks five times alerting her that someone's coming through the secret passageway.

She looks at her monitor and sees it's SPY KING (13), brave, friendly, trustworthy, works well under pressure and is a hero. Commander Terri closes the blinds, locks the office door, then releases the electric security grid to open the secret passage.

COMMANDER TERRI

Come in.

Spy King walks over to Commander Terri's desk, shakes her hand and takes a seat.

SPY KING

Good afternoon, Commander. I got here as soon as I could.

COMMANDER TERRI

At ease, Spy King. I have a mission for you.

SPY KING

Great. I've been waiting for some action.

COMMANDER TERRI

You're about to get all you can handle.

SPY KING

What is it?

COMMANDER TERRI

I need you to go undercover for your country.

SPY KING

No problem. What's the job?

COMMANDER TERRI

No one, not even your agents or the agency itself, can know.

SPY KING

Is this legal, Commander? The handbook states...

Commander shakes Spy King's shoulders vigorously.

COMMANDER TERRI

Forget the handbook on this one and trust me.

Commander Terri regains her composure.

COMMANDER TERRI (CONT'D)

I'm so sorry. I've never lost my cool like this before.

SPY KING

I don't know, Commander. It's not sounding right.

COMMANDER TERRI

As you get older, you'll learn to trust your instincts when others doubt you.

Commander Terri gets up and walks over to the window. Spy King follows.

SPY KING

Your superiors turned you down?

COMMANDER TERRI

Yes. Are you in or out?

Spy King pauses to think about her request then smiles.

SPY KING

What would you like me to do?

COMMANDER TERRI

Infiltrate DR. MALLO's operation and bring her to justice. She's in her laboratory working on her next diabolical plan to disrupt or take over the world.

Dr. Mallo (13), an evil, devious scientist with an IQ of 170, who loves to coordinate her outfits.

SPY KING

The agency's been after Dr. Mallo for over a year. So why are they giving you grief?

COMMANDER TERRI

They don't like the methods I want to use. You're going to have to be a genuine bad guy to catch Dr. Mallo.

SPY KING

But what if I run into one of our agents?

COMMANDER TERRI

You'll have to do what you gotta do, always realizing that Dr. Mallo is watching.

SPY KING

Jeez, I don't know about harming fellow agents.

COMMANDER TERRI

You've got to think about the big picture.

SPY KING

But what if you're wrong about what she's up to?

COMMANDER TERRI

What if I'm right? There's one more thing. You'll be on your own. I won't be able to assist you at all.

SPY KING

No help at all, huh?

Spy King sits, places his face in his hands and contemplates the mission.

COMMANDER TERRI

No. And you'll only be able to clear yourself by bringing her to justice.

SPY KING

Gee, it just gets better by the moment. Let's do it.

COMMANDER TERRI

Great. Here's your dossier. Good  
luck and come back in one piece.

Spy King salutes Commander Terri, then departs.

FADE OUT.
